# Web Based Risk Management Training

## Why

- ❑ Today organisations face immense regulatory, compliance and operational risks
- ❑ People who execute key processes such as settlements, KYC, AML reviews, account openings, payment processing are some times not trained enough
- ❑ **Untrained people often make excessive errors or ignore key process controls**
- ❑ **Web based training is a very cost effective way to impart knowledge to large employee base to minimize operational and reputational risks**

## How

- ❑ **This is not E – Learning.** This is real industry experts talking about key issues.
- ❑ A series of 5-10 sessions are customized and outlined that touch upon key risk issues and compliance requirements.
- ❑ Practical, industry knowledge is shared as the speakers are industry experts
- ❑ The sessions are grouped with other users to bring down delivery costs. We can also deliver sessions exclusively for your organisation.

## How Much

- ❑ **Training can be delivered as low as Rs 200 / employee / per session.**
- ❑ **We can discuss your training requirements and provide final quote**
