

Security and IT GRC Compliances are Time Consuming

Your Challenge: Compliance Management Doesn't Stop at the End of the Year

We understand that managing compliance is an ongoing journey, especially when facing external audits like SOC 2, ISO 27001, IT GRC Compliances or other security/privacy assessments. Whether you're a startup looking to strengthen your security posture or an established business juggling multiple compliance frameworks, it can feel overwhelming.

You don't have to do it alone.

Riskpro's Solution: Expert Support When You Need It Most

At Riskpro, we offer flexible short-term staffing and vCISO services to meet your unique needs. Our team of experienced professionals is ready to step in and help—whether it's for a few days, weeks, or longer.

How We Can Help:

- **Audit Preparation:** We can help you get ready for your external audit by performing a gap assessment, remediating process gaps, and assisting with artifact gathering.
- **Policy & Procedure Development:** We'll help you streamline your policies and procedures across different compliance frameworks, keeping everything updated.
- **Extra Hands on Deck:** Need additional support? We offer flexible resources for just 1-2 days a month or more, at competitive rates **starting at Rs. 8,000 per day based on experience.**
- **Virtual CISO Support:** For long-term guidance, our vCISO services provide expert support to navigate complex compliance landscapes, **starting from Rs. 14,000 per day based on experience.**
- **Staff Augmentation:** If you need dedicated resources on a monthly basis, we offer staff augmentation services with contract staff starting at **Rs. 85,000 per month based on experience.**

We're here to provide the support you need, when you need it. Let us help you stay on track with your compliance journey so you can **focus on what truly matters: growing your business.**
